PORTRAITURES OF HEBREW CHARACTER.

By Maria T. Richards.

Author of "Life in Judes."

One Volume, 12mo. Price One Bollar,

The simple purpose of this work is to invest with new interest some of the most prominent eras of Jewish history. It consists of three parts sent complete in itself, under the designations of "The Plaritage," "The Reign of Schomon," and "The Captivity." Though the parts are distinct and independent of each writer, yet the whole series is a uncetted by a chain of successive developments of one idea—that of a coming Savior. The object of the writer in this volume has been single—to awaken a deeper interest in those parts of the Old Testament which are coolien regarded by many readers as unfair-testing details of statistical facts. To effect this end, she has sought, with the aid of a chastered imagination, to clothe the scenes and characters

too dich reprice of most conditions and the sample, with the aid of a chaster of imagination, to chothe the scenes and characters of Jewish kintery with life-like charms, and thus present to her reduce a series of vived pictures of those times which pertain to the reduce a series of vived pictures of those times which pertain to the earlier annals of the Israclites.

"Life in Judee," published two years ago, was received with great avor, and has had a circulation far beyond the expectations of the author. The purity of its style and the grace of a flowing imagery, gave to ler narrations in that volume an interest that secured a wide circle of readers. The present volume has been prepared with still greater care than the former, and is effected by the publishers to the public as a work of docided most. The following are some of the notices of "Life in Judea," selected from the press at the time of its first publication:

NOTICES

tion. We most cordially commend it to our readers.

"It is a production characterized by power, interest and beauty, while its developments of character and flow of iscident save that vraise noblance without which such a work would be wanting in its crowning charm." [Southern Saptist." We are pleased with the pieture which the writer has drawn of the First Christian Age. It evinces a rare combination of judgment and imagination." [Printing Review. LIFE IN ISRAEL sent by mail pre-paid, for One Dollar. SHELDON, BLAKEMAN & CO., Publishers, No. 115 Nasswust., New-York.

PETER PARLEY'S "RECOLLECTIONS"
compares the Past and the Present. Published This Day:

THE TORCHLIGHT;

THE TORCHLIGHT;

THROUGH THE WOOD.

By HARRIET A. OLCOTT.

One neat 12mo. Price \$1.25.

"The tale opens with a scene between a widower and his includy, who inveigles h'm into an illimated marriage with her beautiful daughter—she easting off the lover of her youth for the widower and 'is money. The reader's interest is soon engressed in the fortunes of their child,

TEANIE THE WANDERER,

the conflicting circumstances of whose wayward life excite at once the interest and sympathy of the reader. The good and tenselentious Annt Jane, the guardian of our heroine, is truly a salten of

Whose humoreus and pointed though homely sayings, and ZEBEDEE Fight,
the lary, good for-nothing, just-a-going-to-do-something specimen of humanity—always waiting, like Micawher, for something to turn up—with his ladderous blunders and unhappy undertakings, keep the reasor in a CONSTANT GLOW OF HUMOR AND DELIGHT.

December to buildinghic

Then again, the luimitable
RALPH, THE YOUTHFUL LOVER,
RALPH, THE YOUTHFUL LOVER,

Sada at once a bevy of admir rs in young ladies of romanti-tates, while the edier brother, Philip, the NOBLEST ROMAN OF THEM ALL, is sure to create at least admiration and esteem. The characters of Mrs Cestleman, the mother, and Mrs. Miller, the wife, are drawn with great power. The examples of their wasted lives will not be a profitless lesson to of Mrs. Castleman, the mother, and Mrs. Miller, the wife, are drawn with great power. The examples of their wasted lives will not be a profitiest issuen to.

AMBITIOUS MOTHERS AND PROUD DAUGHTERS. The scene changes from the country-life of an old New-En-land bene to the metropolis, plantations and bayous of Louisians, where appears for a brief period the strikingly original character of the quadroon, Lols, who "libs on de spring," sleeps on de spring, have been un de spring." In conclusion, the Publishers confidently assert, that as ATORY OF UNFLAGGING INTEREST, interspersed with scenes of inimitable humor, and a felicitous and ille-like description of City and Conary Life, the whole incubating a moral lesson of great value, no recent Novel has surpassed.

HOME AND THE WORLD.

HOME AND THE WORLD.

By the author of

"Souvenirs of a Resistence in Europe."

1 vol., 12mo., Cloth, 404 pp.

Having promised in the introductory chapter of this volume
to dispense with the formality of a preface, a few words, not
meriting so grave a title, will suffice to say that the historical
personages who appear in it were sketched from life; that Victor's destiny is recorded in the annals of the startling period
when it was fulfilled, and that the African characters are real
and have literally spoken for themselves.

In regard to all the other characters, while they are believed
to be true to nature, and were intended to represent traits and
dispositions which are not unfrequently met with in real life,
the writer begs to enter a protest against the identification of any
of those portraits, not belonging to the dominion of public history, with individual personages, either past or present.

ESSAYS AND REVIEWS. By Chas. Hodge, D. D.

Evo. \$2.70.

"The argumentative force and soundness of the articles here collected will a ways be recurred to with undiminished interest, as furnishing a history of the the clogy of the age, and affording aid to those who eeck the best methods of maintaining the orthodex faith."

ANNALS OF THE AMERICAN PULPHT. By Wm. B. Sprague, D. D. Vols. 1 and 2; CONGREGATICKALISTS (complete in themselves). \$5.

"No one can read these hiographies of the New-England Fathers without a new impression of the worth of this long line of venerated men. Never have we felt so deeply what a rich heritage we possessed in the wisdom, the large patriotism and fervent piety of our ancestors. "We know it is the fisabion to smile at these old Puritan Ministers. We are amused with the pictures of the old times, the quaint style and pecies unsuners, the short clothes and silver knee-buckles, and the wind up., or penderous wig. But these are trifles. The men, in mind, in intelligence, in practical wisdom, and in elevation of character, were the forement men of their generation.

"While thus detailing the biographies of individual men, it will be a supplied the materials of a general relations history. This is by far the most important contribution yet the factor of the Ecclesiastical History of the country. We know and the country was and the owner, and the country was and the country of which he deserves general gratique."

Evangelis.

DODDRIDGE'S FAMILY EXPOSITOR OF THE NEW

The work has resument as the area despond to the church and the country, for which he deserves general gratitude."

DODDRIDGE'S FAMILY EXPOSITOR OF THE NEW TESTAMENT. Evo. Fine sheep, \$2.

"And the floed of new books it is pleasant once in a while to recognize the face of an old friend, and especially of one which has been in former years a favorite religious instructor and smide. We cannot speak of Doddridge's Expositor in a cool, critical manner. It has been too long one of the treasures of the household. How can we undertake to indge a book which we remember from earliest childhood resting on a parent's knee, and reverently read at the family devotions, which is associated with a father's prayers, and with the morning and evering byma, sing by one who is now a saint in heaven "evering byma, sing by one who is now a saint in heaven "evering byma, sing by one who is now a saint in heaven "evering byma, and be remember the fruits of the ripest study, as well as a remarkable for late of the fine of the fine study of a whole life to learn and to expound the meaning of God's Word; and here'we have the fruits of the ripest study. It was the study of a whole life to learn and to expound the meaning of God's Word; and here'we have the fruits of the ripest study. It was the study of a whole life to learn and to expound the meaning of God's Word; and here'we have the fruits of the ripest study. It has the study of a whole life to learn and to expound the meaning of God's Word; and here'we have the fruits of the ripest study. It has the study of a whole life to learn and to expound the meaning of God's Word and here'we have the fruits of the ripest study. It has the study of a whole life to learn and to expound the meaning of God words where the fruits of the ripest study. It has the study of a whole life to learn and to expound the meaning of God whole life to learn and to expound the meaning of God words when the product of the ripest study. bevoited, and gilt edges, \$9; in Morocco antique and extras \$17.

The elegant drawings from which the artistic engravings of this work were taken, created a great sensation in Germany, and found see many agreent similers; that their publication was immediately called for. The artist's object was to present to the would a series of designs in the highest style of art, which would reproduce to the eye the most interesting events in the fife of the great Secture. The engravings are enimently life of the great Secture. The engravings are enimently into the product and the period. Lather, Meinarchen, Zwingle, the Elector John Fredperiod.—Lather, Meinarchen, Zwingle, the Elector John Fredperiod.—Lather, Meinarchen, Zwingle, the Elector John Fredperiod.—Lather, Meinarchen, Zwingle, the Elector John Fredperiod.—Lather the interest representations of the places most celebrated in the history of the Reformation. The figures are grouped together with delicate propriety and anotorical a currey; and the accompanying embellianments are illustrative of the princh, and in raquitot taket. Lather towes the Arts, he made filtered of attists, and was materially alled in the great work of his life by boose Cransels, they exist German pointer of the are. It is particular appropriate, therefore, that the work destined to bonor the great Reformer, and appeal abroad his name and farm, should derive its principal claim from its beantiful illustrations. The name of Archdeacon Hare is a sufficient guaranty by the the feat.

The best, the most permanently valuable, the most convenient, and the cheapest edition of the standard positional literature of Great Britain ever published. [Heme-Journal, We regard it as the most beautiful and convenient library edition of the British Poets yet published."

[Philadelphia Evening Builedin, "We do not know any other edition of the English Poets which combines so many excellences." [Bibliothees Seers.

WORKS OF

THE POETICAL WORKS OF THOMAS MOORE.

Revised and caretuly edited, with a Memoir, by Professor Caribb of Harvard University.

Six vol.s., ismo. + 150.

This is unquestionably the handsomest, cheapest and most convenient edition of Moore ever offered to the public, either in England or America.

THE PURITAN COMMONWEALTH

An Historical Review of the Fuffish Government in Massachusettis in its Civil and Eccle slastical Relations, from
its Rise to the Abrogation of the First Charter.
Together with some General Reflections on
the English Colouist Polley, and on
the Character of Puritamises.

By PETER OLIVER.

This work treats on the construction of the Puritan Commonwealth of Massachinestrs, its failure to accomplish the end of
all good government, in the preservation of good order and the
prevention of immorality; it discusses the Puritan Charch, its
intelerance, as shown in the persecutions of the Familiesta,
Quakers and Baptista, and its Massionary claims, as compared
with those of the Church of England and the Church of Rome;
it asserts the gradual degeneracy of the Puritans after their separation from the great Catholic body; and lastly contains reflections on the English Colonial policy, and on the general character and tendencies of Puritaniam.

A very remarkable book, which has already attracted mue
attention smong the a neights of New-Engla. d History, an
accms likely to give rise to an earmost and interesting contraversy on the character and canduct of the Paritan Forcathere.

DUER'S CONSTITUTIONAL JURIS

A COURSE OF LECTURES ON THE CONSTITUTION AL JURISPRODES OF THE UNITED STATES: Delivered annually in Columbia College, N. Y., by William Alexander Duer, L.L.D., late President of that institution. The second edition, revised, enlarged and adapted to profesweil as general use. 1 vol. 12mo. Price #1 75.

"Judge Duer, former President of Columbia College, by his atudies as a lawyer, his experience as a politician, a logislator, and a member of the State Judiciary of New-York, was eminently qualified to exhibit the bearing of the constitutional law. In a series of lectures originally delivered to the Senior Class of Columbia College, he has an folded with brevity and with consummate skill the great principles of the Federal Constitution, tracing its workings through the various branches of its legislative, executive and judicial authority; its relations with States abread, and its relations with and among the several members of the confederacy at home. Introductory to the whole is a sketch of the its relations with and among one feederacy at home. Introductory to the whole is a sketch of the bistory of the Confederation down to the da's of the present Constitution. An appendix supplies the text of several valuable decoments, as the Articles of Confederation, the Constitution, and, what is now of timely interrast, the ordinance for the government of the territory of the United States north-west of the liver Oho. To reacher this political manual still more available, in addition to its table of contents, it has an admirable analysis of the entire subject of the work, exhibiting its strict unity and legal deduction, while a copious index distributes the numerous topics under apprepriate heads, leaving nothing to be desired on the score of convenience and casy intelligibility."

One vol. Limo. Price \$1.

"We have read these poems with great pleasure. They are not numerous, but they are all good. The author is an artist who has lived in Iraly for some years, and flas poems are flooded with the golden sunlight of Italian summers. Castle Falo is the most finished and elepant poem in the volume. We like its story and its easy versification, its deep tenderness of feeling and the glowing beauty of its seconery. There is grace, delinery and beauty in almost every page of this elegant volume, which is printed in a style rarely equaled in America. "Boston Tran." It is not often that cannot success is vouchasfed to one and the same individual in two spheres or art. We do not look to the scuptor for other poetry than that which the silent marble utters, not to the poet for the aftatusque other than it shall appear in the roundee harmony and fine symmetry of the true poin. Mr. Story, however, certainly gives emineat procuse in either sphere. The products of his chies have made him widely known, and have given him a good rank among young American sculptors. This volume will speak for his subtlitiess as poet, and will win him a rank not often accorded to an artist of another art."

[Hoston Traveller.

STUDIES IN THE FIELD AND FOR-

"All that the gental ray of morning gilds,
And all that echoes to the song of even."

1 vol. 12mo. Price \$61.

"These papers indicate an artist's eye and a poet's susceptibility; careful observation of major; and fundiarity with the canons and models of constructive and ornamental art. With-all, they are written in a highly attractive style, marked by simplicity and naivete, and adapting itself with easy grace to the me in hand."

"The most exquisite descriptions of rural still life which our language has produced."
